

So the Votes Are In!

Introducing Our New Class Names at Rusper Primary School

Dear Families,

We are absolutely delighted to share some wonderful news with you – the children have cast their votes and chosen the new names for their classes! This marks a very special moment for us, as it's the first opportunity this year where we've handed over the decision-making power to the children, giving them real ownership of their school experience.

In celebration of our beautiful rural setting and the value we place on nature and the environment, each class will now be named after a tree. These names reflect the strength, growth, and individuality we see in every child, and they beautifully connect us to the natural world that surrounds our school.

Here are the results:

- Reception will be known as Blossom Class
- Years 1 and 2 are now Willow Class
- Years 3 and 4 will be Maple Class
- Years 5 and 6 are proudly Redwood Class

The children approached this process with enthusiasm, thoughtfulness, and a real sense of pride. It's been inspiring to see how much they care about their school and the community we're building together. These new names will be part of our daily life, helping to strengthen identity, belonging, and connection across the school.

We hope you'll join us in celebrating this exciting step forward. Thank you for your continued support in helping us create a school where children feel heard, empowered, and proud of their place in the world.

Warm wishes,
Mrs Wright
