Actual Attendance	Authorised Absence	Unauthorised Absence	Lates

The Reception Year is the final year of the Early Years Foundation Stage. At the end of this year schools are required to report to parents their child's general progress, including the Characteristics of Effective Learning, and their attainment in the 17 Areas of Learning.

An Expected grade means the child is working as expected for their age and is ready to access the National Curriculum in Year 1.

An Emerging grade means the child will need some level of additional support in that specific area as they transition into Year 1. Additional support typically means some level of adaptation to classroom practice to support the child eg increased nurturing focus or additional teaching to close phonics gaps etc.
