

HOBBIT

OVERVIEW

SUMMER
TERM 1

We have an exciting and important few weeks ahead, especially as our Year 6 pupils prepare for their SATs. Here's an overview of our learning journey this term:

English

This term, we are reading *Skellig* by David Almond. We will create setting descriptions and diary entries from the characters' perspectives. We'll also continue improving spelling, grammar, and writing for a variety of purposes.

Maths

Our focus will be on percentages, ratio, and algebra. We will strengthen reasoning and problem-solving skills through engaging activities.

Science

We are investigating Forces, especially pulleys, levers, and gears. Hands-on experiments will help us understand how forces work in the world around us.

History

Our topic is the fascinating Kingdom of Benin. We'll explore its culture, history, and achievements, using research and enquiry skills.

HOBBIT

RSHE (Relationships, Sex and Health Education)

We will focus on Changing Relationships, discussing what happens when relationships change or break down, and how to manage change in healthy ways.

RE (Religious Education)

Our studies will focus on Islamic beliefs, learning about important teachings, traditions, and the role of faith in daily life.

PE

This term's focus is on strike and field games (e.g., rounders and cricket). PE days are Tuesdays and Thursdays — please ensure full PE kits are brought to school.

**SATs will take place
between Monday 12th May
and Friday 16th May. To
help children feel relaxed
and ready, we will offer a
SATs Breakfast Morning
each day during SATs
Week.**
